Stuart, here's another q for you.....is VW planning to say anything about ULSD availability? I got this note from Bill Charmley.....

Robin,

Deliberative Process / Ex. 5

Could you find out from Stuart if they plan on saying anything about ULSD availability at this meeting with Margo. **Deliberative Process / Ex. 5**
Deliberative Process / Ex. 5 We have heard some concerns from folks at Mercedes regarding the availability of ULSD for light-duty use (the 07 E320).

thanks,
Bill Charmley
